## BIO

59 Perlen is a Music Artist, Performer and Mentor living based in Zurich, Switzerland. He plays Dubtechno, Deephouse and Ambient sets with various hardware setups for diverse audiences.

The often minimalist tracks tell a story with combining dubhouse elements and ambient atmospheres while they still remain danceable.

*"59 Perlen masterfully weaves a tapestry, rich with textures and layers that evolve and transform throughout his tracks. It's an exercise in sonic storytelling, with each musical element playing a vital role in the overall narrative."*
